

TRUST. QUALITY. PERFORMANCE

Nivrol, a venture by Nishiv Industries Pvt Ltd, is an effort to develop world-class lubricants and oils that enables optimisation and increases performance standards for a wide range of industries. With a vision to take the Make In India initiative, we have state of the art manufacturing facilities situated in Gujarat's industrial hubs. Our production facility boasts a semi-automated line setup ensuring smooth operations and a standardised control over all processes.

Having a strong industry experience and a talented team working on product development, research, marketing as well as administrative

domains, we are committed to providing value addition to our clients' businesses and operations! We are rapidly developing synergistic relationships with distributors from all over the country to take our products to the customers!

Our commitment to quality and establishing standard procedures reflects in the fact that we have achieved the ISO 9001:2015 Certification, despite being a relatively recent venture! We also adhere to (American Petroleum Institute) and JASO standards for quality assurance.

Our Vision

To be a leading Indian Manufacturer for qualitative lubricants that find applications across various industries.

Our Mission

To achieve complete customer satisfaction and to grow our organisation while increasing opportunities for our employees, associates, and partners.

BIKE ENGINE OILS

We, at Nivrol, have designed these bike oil variants with an aim to provide better mileage and good health for your motorcycle. With excellent results in new-age bikes as well as sports variants, our bike engine oils are compliant with the latest governmental norms. It provides the most satisfactory clutch and engine protection to users

Specifications

Type	Grade	Packaging	Name
20W40	API SN JASO MA2	600ml, 900ml, 1L	Apex4T
15W50	API SN JASO MA2	2.5 L	Apex4T
20W40	API SJ JASO MA2	900ml, 1L	Power4T
20W50	API SL JASO MA2	1L, 50L, 210L	Prime4T
10W30	API SL JASO MA2	800ml, 900ml, 1L, 50L, 210L	Supermatic4T
20W40	API SL JASO MA2	600ml, 900ml, 1L, 50L, 210L	Prime4T
10W30	API SL JASO MB	800ml	Scooter4T

CAR ENGINE OILS

The car engine oils that team Nivrol has developed is an ideal acquisition for those whose cars remain in use for a long time. It has the API specifications and functions perfectly even in extreme weather conditions. It protects the engine against piston deposits and from wear and tear. It works in cars and SUVs alike.

Specifications

Type	Grade	Packaging	Name
5W30	API SL/CF	3L, 3.5L, 4.5L, 210L	Racer
15W40	API CH-4/SL	3.5L	Racer
5W40	API SN	5L, 210L	RacerPlus
10W30	API SN	3L, 3.5L, 4.5L, 210L	RacerPlus
20W50	API SL/CF	500ml, 1L, 3L, 3.5L, 210L	Racer Xtreme
20W50	API SF/CD	1L, 3L, 20L	CNG Shield

TRUCK ENGINE OILS

Our team has developed specialized oils keeping in mind the requirements of the trucking industry. The truck engine oils follow API specifications and improve mileage and other performance parameters. It is also compatible with globally accepted environmental norms.

Specifications

Type	Grade	Packaging	Name
15W40	API CI4 Plus	1L, 5L, 10L, 15L, 50L, 210 L	Prime Xtreme
15W40	API CH4	1L, 3L, 5L, 7.5L, 10L, 15L, 20L, 50L, 210 L	Supermatic Plus
15W40	API CF4	2.5L, 3L	Cargo Shield
15W40	API CF4	500ml, 1L, 5L, 7.5L, 10L, 15L, 20L, 50L, 210L	Turbo
20W40	API CF	1L, 2.5L	Auto Special

TRACTOR ENGINE OILS

Fuel efficiency is an essential aspect for any industry using tractors as they are required to travel long distances. With Nivrol's tractor oils, you are looking at a three-way benefit as it improves mileage, engine cleanliness, and protection. With API specifications, it is available across various sizes to serve your needs!

Specifications

Type	Grade	Packaging	Name
20W40	API CF4	0.5L, 1L, 5L, 7.5L, 10L, 20L, 50L, 210L	Power
20W40	API CF	3.5L	Power X

TRANSMISSION AND GEAR OILS

It is important for your machinery to function smoothly to improve production and reduce downtime! To keep your machine parts moving fluidly, Nivrol offers Autogear range that provides good haulage and ensures that performance remains stable, irrespective of the temperature for gears.

Specifications

Type	Grade	Packaging	Name
80W90	GL-4	1L, 2.5L, 5L, 20L, 210L	Autogear
85W140	GL-5	1L, 5L, 20L, 210L	Autogear Xtreme
EP 140	GL-4	500ml, 1L, 5L, 10L, 20L, 210L	Autogear
EP 90	GL-4	500ml, 1L, 5L, 10L, 20L, 50L, 210L	Autogear

INDUSTRIAL OILS

At Nivrol, we have developed varied forms of industrial oils for specific usage. All of our variants have been developed with utmost details catering to the industrial standards.

Specifications

Oil	Grade	Packaging
Hydraulic Oils	VG 32, 46, 68, 100, 150	20L, 26L, 50L, 210 L
Gear Oils	VG 68, 100, 150, 220, 320, 460, 680	5L, 20L, 50L, 210 L
Thermic Oil	500, 600	210 L
Transformer Oil		210 L
Compressor Oil	VG 68, 100, 220	5L, 20L, 50L, 210 L
Marine Oil	SAE 30, 40 and 50	As per requirement
General Purpose Machinery Oil	VG 22, 32, 46, 68, 100, 150, 220, 320, 460	As per requirement

State of the art manufacturing plant,
infrastructure and research laboratory facilities.
